Report of the activity

Department of EVS conducted an awareness programme on” the conservation of Soil and Water resources” on 13th April 2023 at Thuruth, Aluva. Faculties and students from our department interacted with the public by redressing their problems related to the use of water consumption and soil management. 32 Soil health cards and drinking water Test report were distributed as free of cost to the residents, from where the samples are collected.

Outcome of the activity
