CONFERENCE INVITATION

Material Science is one of the vast and growing areas of science in this century. Scientific research is progressing at a great pace, developing smart materials to meet the demands of advanced technology.

Sree Sankara College, Kalady was founded in year 1954 by Swami Agamananda with a view to perpetuating the memory and doctrines of the great saint and philosopher, Adi Sankaracharya and to nurture his birthplace as a cultural citadel. Sree Sankara College is blessed with plethora of flora and fauna which rejuvenates the academic atmosphere.

The college is committed to achieve its goal towards excellence in academic and extra-curricular activities.

Post Graduate Dept. of Chemistry, Sree Sankara College, Kalady organises an International Conference on Advances in Material Science ICAMS 2018. The goal of the meeting is to emphasise interdisciplinary research on synthesis, structure, properties and application of advanced materials. The theme of the conference is "Emerging Biomaterials"

We cordially invite investors, entrepreneurs, scientists, academicians and research students to this conference. The special features are key note speech, plenary talks and invited talks by leading scientists in the field. The conference will provide the participants an opportunity to interact with the trend setters in this field.

Dr. M. S. Sreekala (AvH & JSPS Fellow)
CONVENER
