The 30-Days International Online Workshop on Scholarly Writing & Publishing, slated from May 29th to July 3rd, 2023, stands as an ambitious and comprehensive initiative jointly organized by multiple esteemed educational institutions in collaboration with LORE & ED RESEARCH ASSOCIATES. Aimed at cultivating and honing scholarly writing skills while addressing the challenges and advancements associated with Artificial Intelligence (AI) in academic writing, this program heralds a new era of collaborative learning and skill development.

Objectives:

The primary objective of this workshop is to equip participants with a profound understanding of scholarly writing and publishing across diverse domains such as Science, Social Science, Arts, and Humanities. With a strong emphasis on ethical considerations within the realm of AI impacts, the program aims to bridge the gap between theoretical knowledge and practical application, thereby enhancing participants' ability to produce high-quality research papers suitable for publication.

Organizers:

- CMS College Kottayam (Autonomous)
- Sri Vyasa NSS College Wadakkanchery
- St. Xavier's College Vaikom
- Farook College (Autonomous) Calicut
- St. Thomas College of Teacher Education Pala

Workshop Dates: 29th May - 3rd July 2023

Time: 07:00 - 09:00 PM IST

Structure and Sessions:

Spread over a span of 30 days, this workshop integrates a meticulously crafted curriculum comprising 30 sessions. It promises a unique amalgamation of theoretical discourse and hands-on practical sessions. Distinguished experts from various fields will lead in-depth discussions, elucidating the ethical implications and evolving landscapes within academic writing, while highlighting the intersection of Digital Humanities and scientific methodologies.

Key Highlights:

- Practical sessions to address writing skill deficiencies under the guidance of language editors.
- Expert insights facilitating easy publication processes in esteemed academic journals.
- Engaging lectures by journal editors and seasoned publishing industry experts.
- Provision of publication assistance and support to refine working papers.
- Demonstrations on writing/editing software tools and reference management systems.
- Real-time online support through a comprehensive Learning Management System (LMS) and dedicated website or mobile application.
- Post-workshop sustained support to resolve queries and aid in the publication of research papers.
- Formation of collaborative discussion groups comprising research scholars, faculty members, research guides, and industry partners for fostering a culture of collaboration.

Documentation and Certification:

All live sessions were be diligently recorded and made available to participants for future reference. Moreover, upon successful completion of the workshop, participants were provided with an e-certificate acknowledging their commitment and proficiency gained during the program.
