CONFERENCE INVITATION

Materials Science is one of the vast and growing areas of science in this century. Scientific research is progressing at a great pace, developing smart materials to meet the demands of advanced technology.

Sree Sankara College, Kalyadi was founded in year 1954 by Swami Agamananda with a view to perpetuating the memory and doctrines of the great saint and philosopher, Adi Sankaracharya and to nurture his birthplace as a cultural citadel. Sree Sankara College is blessed with plethora of flora and fauna which rejuvenates the academic atmosphere.

The college is committed to achieve its goal towards excellence in academic and extra-curricular activities.

Post Graduate Dept. of Chemistry, Sree Sankara College, Kalyadi organises an International Conference on Advances in Materials Science ICAMS 2018. The goal of the meeting is to emphasise interdisciplinary research on synthesis, structure, properties and application of advanced materials. The theme of the conference is "Emerging Biomaterials".

We cordially invite investors, entrepreneurs, scientists, academicians and research students to this conference. The special features are key note speech, plenary talks and invited talks by leading scientists in the field. The conference will provide the participants an opportunity to interact with the trend setters in this field.

About Us

Sree Sankara College (Aided), Kalady was founded in the year 1954 by Swami Agamananda, a social reformer and a foresighted scholar of Sri Ramakrishna Advaita Ashram. The institution was established with a view to perpetuating the memory and doctrines of the great saint and philosopher, Adi Sankaracharya and to nurture his birth place as a cultural citadel. The foundation stone was laid on 28 August, 1953 by His Highness The Maharaja of Travancore in the presence of The Maharaja of Cochin and several other distinguished personalities. The Sree Sankara College Association was formed in July 1954.

Background of the Seminar

The Finance Minister of India, Ms Nirmala Sitharaman announced merger of ten public sector banks into four, thereby making India a USD 5 trillion economy. The biggest overhaul in public sector banks has left India, with only 12 banks now instead of 18, before the decision. The reorganisation is expected to contribute much to the economy like, enhanced capacity to increase credit, strengthen national and international reach, reduction in lending cost, Next Generation technology for the banking sector, Capacity to raise market resources and so on. On the other hand, merger creates variety of problems which may cause great damage to the economy as a whole if not executed properly.

Hence, the Two Day National Seminar on the Reorganisation of public sector banks throws light on this situation which is to be debated as it is a catch 22 situation. This Seminar will be beneficial to the Academicians, Industrialists, Research Scholars, and Students.

Themes of the seminar

- Indian Banking Industry Outlook 2019-2020
- Banking Sector Reforms
- Indian Banking Sector: Challenges and Opportunities
- Digital Banking: Pros and Cons
- Global Impact on Banking in India
- E-management in Banking Industry
- Innovations in Banking Products
- Human Resource Integration
- Customer Impact and Perception
- Crisis in Management and Governance in Banking Sector
- Latest trends in the banking sector

Speakers of the Session

Mr. Sanjay A Manjerekar
(Senior Vice President, All India Bank Officers Confederations, Working President, All India Nationalised Bank Officers Federations, General Secretary, Syndicate Bank Officers Association, AGM and Ex-Director, Syndicate Bank)

Dr. N Ajithkumar (Session Chair)
(Former Principal and Research Guide, Cochin College, Cochin, Research Head and Visiting Faculty, Amrita University)

Dr. V K Vijayakumar
(Well Known Economist, Chief Investment Strategist, Geojit Financial Services)

Dr. Sony Kuriakose

RESEARCH AND POSTGRADUATE DEPARTMENT OF CHEMISTRY
SREE SANKARA COLLEGE, KALADY

Jointly organizes one day

"National Seminar on Innovations in Polymer Research" (NSIPR - 2023)

with

School of Chemical Sciences, Mahatma Gandhi University, Kottayam, Internal Quality Assurance Cell & Institute's Innovation Council, SSC Kalady under SMART Scheme

Date: 25th January 2023

About Sree Sankara College
Sree Sankara College, Kalady was founded in the year 1954 by Swami Agamananda, a social reformer and a foresighted scholar of Sri Ramakrishna Advaita Ashram. The institution was established with a view to perpetuating the memory and doctrines of the great saint and philosopher, Adi Sankaracharya. The college aims at the formation of intellectually creative, emotionally mature, morally responsible, spiritually enlightened, socially committed young citizens who will be agents of transformation in society.

About Research & Postgraduate Department of Chemistry
Chemistry department was established with B.Sc. Chemistry in the year 1957. M.Sc. Applied Chemistry was started in 1998 and the department is elevated as research center in 2019. The department is enriched with 8 permanent faculty members, 2 guest lectures, 2 laboratory assistants, 140 UG students and 30 PG students and 5 Ph.D research scholars. Out of 8 faculty members, 4 of them hold Ph. D Degree, and 3 of them hold M. Phil. Degree from well reputed institutions. Two of the faculty members have got post doctoral experience. The Chemistry department is well equipped with a DST-FIST supported Research lab and well equipped UG and PG laboratories. The department has got basic plastic and rubber processing machineries, equipments for basic chemical analysis etc. which can help the students to undertake their project works and research activities in the college itself. Department also conducting a 6 months certificate course of "water quality monitoring techniques".
