The Sree Sankara College Alumni Association has made a difference in the lives of students who faced extreme challenges. During COVID Lockdown, 15 students without smartphones were generously provided with these essential tools for their education. The initiative was led by the Managing Director. Adv: K. Anand, Chief Operations Officer of Adi Sankara, C.P Jaisankar (Alumnus), and the Principal A. Suresh.

Dr. Preethi Nair received a significant contribution of 10,000 rupees from the Executive Member Praveen Paul of the Alumni Association. This contribution was directed towards the treatment of Subhash Sivan, a 23-year-old resident of Manickamangalam Priyadarshini Colony. Subhash, who tragically lost his father three years ago, was battling kidney failure. His mother, Biji, worked as a wage laborer, supporting Subhash and his two sisters. The College Alumni Association, in collaboration with the local community, actively raised funds for further treatment.
