

SANKARA CORPS

REPORT 2018-2019

MESSAGE

NCC has shaped the lives of millions of youth of our country over the years by inculcating in them the qualities of discipline, leadership, national unity and camaraderie. Hence, it is an art to be drawn in the life of a military aspirant. Each student as a cadet stands as a mark of Unity and Discipline. In Sreesankara college, it seems to be a lot more than that of a college life for a cadet. SreeSankara College looks at her cadet as a pride that uplifted her name since 1954. Each pass out cadet desires to come back into the past days of NCC. For an outsider NCC is part of college, but for a cadet college is a part of NCC.

Cadets of Sree Sankara College, under 22(K)Bn are trained not only for their three years of NCC, but also for their rest of the life. He /She will have transformed a lot more than anyone could ever imagine after joining NCC, and completing the days as a cadet. For an ANO each cadet is equal to their treasure. For our battalion SS College, Kalady sounds as a den of lions and lioness. A cadet here in Sree Sankara College is surely a leader for our nation of tomorrow, and for Sankara it's more and more.....

Lt. Rajy Ramakrishnan
. Associate NCC Officer, sscollege Kalady
