The open Course as prescribed by the University is included in all bachelor programmes. In addition, a wide spectrum of skill based and interdisciplinary Add-On Courses and NSQF complying Diploma and Certificate Programmes are offered to the students by various departments.

The institution has also implemented multiple Add on programmes for the fruitful implementation of multidisciplinary and interdisciplinary education which will definitely enable our students to develop the skills required in 21st century. The Add On courses have been chosen by each department with learning outcomes that define the specific knowledge, skills, attitudes and values that are to be acquired by the learner and would ensure that each programme achieves its goal of being interdisciplinary and at the same time help the student in his/her chosen career field.

2. Academic bank of credits (ABC):

The students are made aware of the importance of tremendous leaps in education scenario brought in by NEP 2020 and how to get themselves equipped for effective integration. The College has started laying the groundwork for the ABC and the students have been instructed and trained by IQAC to register themselves with Academic Bank of Credits at the website www.abc.gov.in and obtain a unique ABC ID. They are also given training to select online and MOOC courses offered by Coursera/SWAYAM/NPTEL, etc. A cell is actively functioning to assist students in getting enrolled for various online courses and complete them.

3. Skill development:

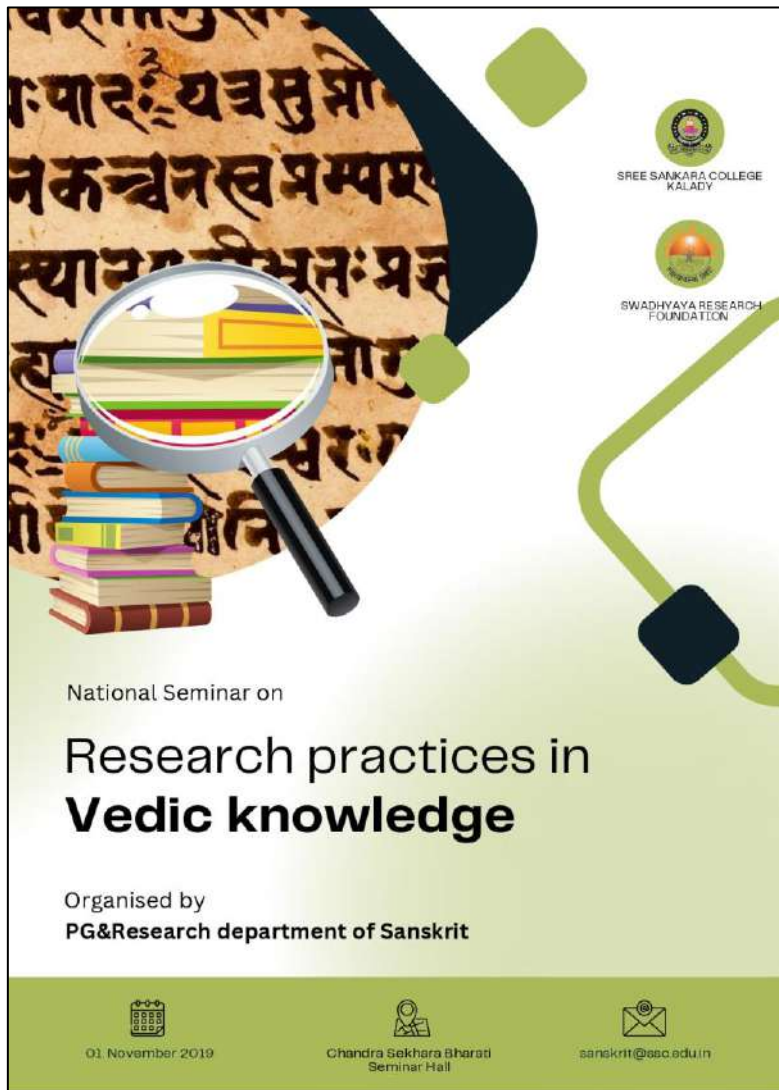

Four UGC-NSQF diploma and four certificate programmes are offered by various departments. More than 20 disciplinary and inter-disciplinary Add-On courses are also offered by various departments.

4. Appropriate integration of Indian Knowledge system

The Institution encourages research and documentation of indigenous knowledge systems. The Department of Sanskrit has collaborative projects with local communities and scholars to preserve and promote traditional knowledge. This in turn encourages an interdisciplinary approach to education that incorporates elements of Indian knowledge systems into various subjects. Add-On Programmes on Museology in India, Vedic

Mathematics, Ancient Indian Architecture, Yoga, Vrکشayurveda, Technical Literature in Sanskrit, Jyotirvijñanam (Ancient Indian Astronomy, are to name a few. The institute has conducted workshops and seminars on Indian Aesthetics, Vedic Mathematics, Ayurveda, etc.

The Department of Sanskrit has a collaboration with Swadhyaya Research Foundation, an NGO based in Ernakulam. Renowned scholars in Indology interact with the faculty and students on aspects of Indian philosophy and Indian knowledge systems.

5. Focus on Outcome based education (OBE):

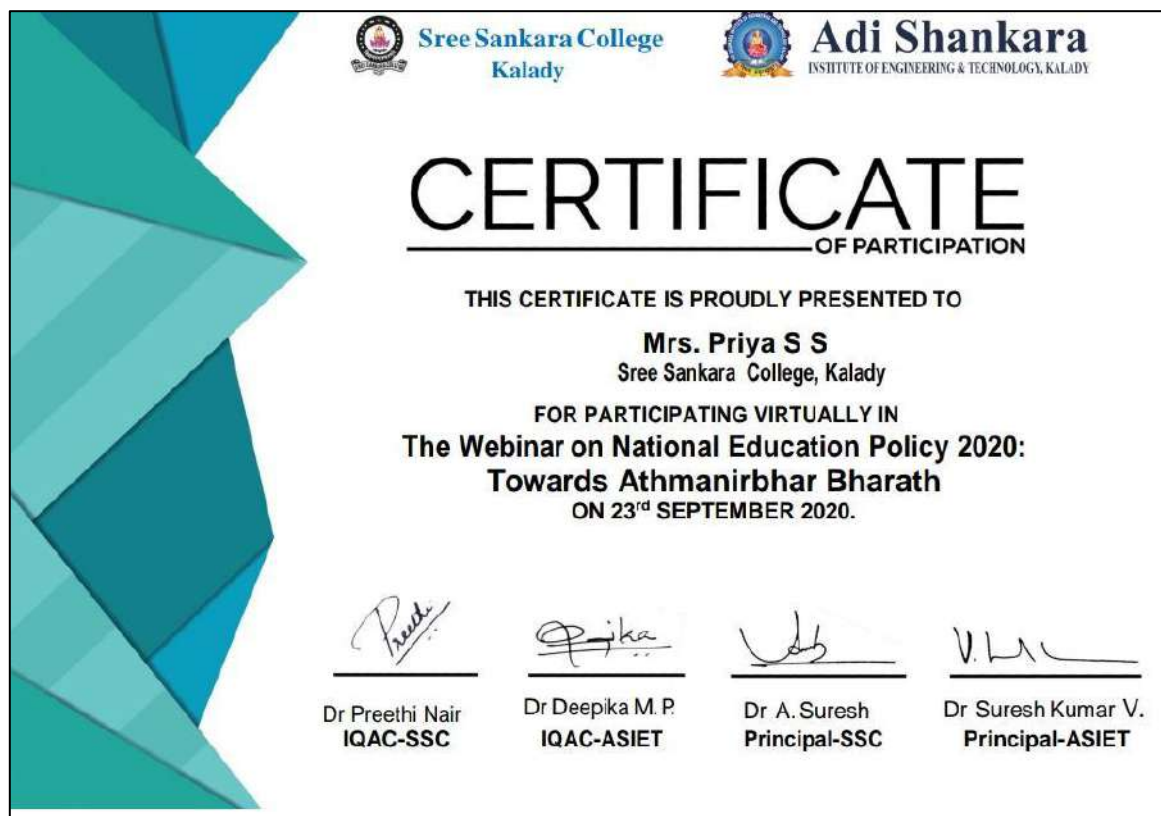

The teaching community is well aware of the importance of Outcome Based Education in effective implementation of curriculum. The teachers are constantly in touch with the modalities of OBE and regularly attends workshops and discussions on the same. Most of the teachers serve as question paper setters of MG University and frames questions based on Blooms Taxonomy, keeping in mind OBE objectives. The IQAC has taken initiatives to conduct three FDPs on OBE, in which, in addition to in house participants, large number of teachers from outside the institution also participated.

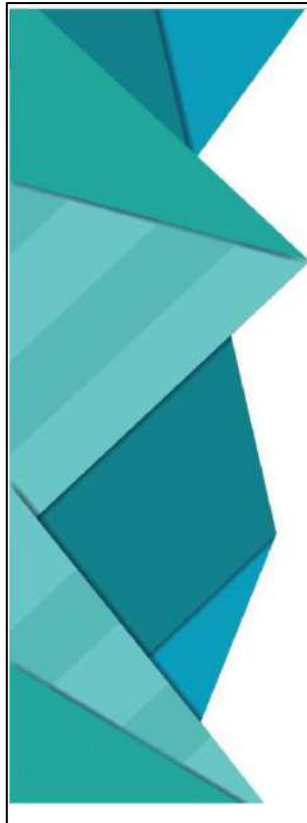

6. Distance education/online education:

The faculty uses Google tools like Google Meet and Google Classroom amongst other Google apps and Microsoft Teams to develop and deliver the entire teaching-learning process in an online environment, in addition to offline teaching and interaction. Students are also encouraged and motivated to take up NPTEL/Swayam/MOOC/Coursera online courses to enhance their self-learning ability and gain knowledge on latest industrial and technological trends. In addition, teachers create online repository of classes and post in college YouTube Channel for the use of students. The library also hosts a large number of online study materials for students.

Faculty of the institution have attended FDP's, Workshops and Webinars regarding the New Education Policy & Higher Education Sector. A few participation certificates are given below:

Entrepreneurship

Institution Innovation Council (IIC) established in the year 2022

IIC was established in 2022 to monitor various skill development Programmes, to provide information on Start-Up initiatives by students as well as teachers, and to familiarize them with Start-Up support systems. Year-wise activities are scheduled based on the framework proposed by IIC.

Steps initiated for setting up IEDC

Another important milestone is the approval of the Institution Entrepreneurship Development Council's establishment on campus by the Kerala Startup Mission. This is looked upon as an important milestone in the Entrepreneurial and Start-Up related activities of the college.

KERALA STARTUP MISSION
